II

AT THE COURT AT BUCKINGHAM PALACE.

The 10th day of December 1941.

PROCESSES.

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas, by reason of her unprovoked aggression, His Majesty has been compelled to proclaim the existence of a state of war with Japan;

And whereas Japan has carried out attacks against British, United States, and other territory without previous warning, either in the form of declaration of war or of an ultimatum with a threatened declaration of war, in flagrant violation of international law and particularly of article 1 of the Third Hague Convention relative to the opening of hostilities, to which both Japan and the United Kingdom are parties;

And whereas, after the outbreak of the present war, Japan signed a Treaty of Cooperation and Mutual Assistance with Germany and Italy, dated the 25th day of September 1940, and has from time to time by her actions and declarations evinced the clear intention of assisting Germany and Italy, and support and assistance in the prosecution of their activities against His Majesty;

And whereas, on the 11th day of December 1941, the said Treaty was supplemented by a Treaty of Military Alliance between the three powers, and Japan is accordingly now allied with Germany and Italy in the present war;

And whereas these facts give to His Majesty an important public right of retaliation by applying to the measures of Japan measures similar to those taken against that of Germany and Italy;

And whereas by Order in Council, dated the 21st day of November 1940, the 11th day of June 1940 and the 17th and 21st days of July 1940, His Majesty was pleased to direct certain measures to be taken against Germany and Italy, commencing as an act of retaliation against the illegal acts referred to in the said Order;

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

Subject to the modification of the 15th day of December 1941 for the 4th day of December 1940, in article 1 and 2 of the Order in Council, dated the 21st day of November 1940, the said Order and the Order in Council, dated the 17th and 21st days of July 1940, shall apply for restricting the commerce of Japan in the same manner as they apply for restricting that of Germany and Italy.

Madras District Municipalities and Local Boards (Amendment) Bill, 1942	11	30

Madras District Municipalities and Local Boards (Amendment) Bill, 1942

The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. Notice is hereby given that the said Bill will be considered on or after the 19th April 1942, and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Local Administration Department, will be considered.

A Bill further to amend the Madras District Municipalities Act, 1920, and the Madras Local Boards Act, 1920.

WHEREAS it is expedient further to amend the Madras District Municipalities Act, 1920, and the Madras Local Boards Act, 1920, for the purposes hereinafter appearing:

AND WHEREAS the Governor of Madras has, by a Proclamation under section 83 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature;

ENACTED

[23]

NOW, THEREFORE, in exercise of the powers so conferred on himself, the Governor is pleased to enact as follows:—

1. This Act may be called the Madras District Municipalities and Local Boards (Second Amendment) Act, 1942.

2. To section 75 of the Madras District Municipalities Act, 1920, the following proviso shall be added, namely:—

"Provided that a fine shall not be imposed on any municipal officer or servant unless he is a bill collector or the holder of a post which is classified by the Provincial Government as inferior or menial."

3. To section 72 of the Madras Local Boards Act, 1930, the following proviso shall be added, namely:—

"Provided that a fine shall not be imposed on any officer or servant of a local board unless he is a bill collector or the holder of a post which is classified by the Provincial Government as inferior or menial."

STATEMENT OF OBJECTS AND REASONS.

Section 75 of the Madras District Municipalities Act, 1920 (Madras Act V of 1920) and section 72 of the Madras Local Boards Act, 1930 (Madras Act XIV of 1930) empower the executive authority of a municipal council and the president of a local board respectively to impose a fine on any officer or servant of the local body except certain officers specified therein. In the case of Government servants, the penalty of fine is prescribed only in respect of members of the inferior service. It is therefore proposed to restrict the imposition of fines to bill collectors and inferior and menial servants employed under local bodies. The Bill is intended to secure this object.

(By order of His Excellency the Governor)

P. APPU NAIR.

Secretary to Government, Legal Department.

GOVERNMENT OF INDIA.

LEGISLATIVE ASSEMBLY DEPARTMENT.

The following Report of the Select Committee on the Bill to confer supplementary powers on the Federal Court, was presented to the Legislative Assembly on the 20th February 1942:—

We, the undersigned, members of the Select Committee to which the Bill to confer supplementary powers on the Federal Court was referred, have considered the Bill, and have had the honour to submit this our Report, with the Bill as amended by an amended draft.

The words inserted in the preamble and at the beginning of clause 2 are unnecessary, in view of the fact that it is unnecessary to give any retrospective effect to the provisions of clause 2.

We have amended and altered the wording of the concluding portion of clause 2.

We have omitted clause 3. The matter dealt with in this clause is, we understand, the focus the subject of a separate bill now in course of preparation by Government.

8. The Bill was published in the Gazette of India, dated the 10th November 1935.

5. We think that the Bill has not been so altered as to require reprobation, and we are rejoiced that it be passed as now amended.
